MEMORANDUM FOR THE RECORD

ATTENTION: D/M/OSA (Scope Cotton) and SS/OSA (OX CART)

SUBJECT: Exposed Material at Sensor Contractor Facilities

1. Purpose of this memorandum is to remind all concerned that the various photographic sensor contractors, Perkin-Elmer, Hycon, and possibly Eastman-Kodak, have photography in their files at their home plant and/or [ ] which may or may not be classified due to areas covered or data which may be read off the data block.

2. In addition to the above contractors, it may be advisable to contact [ ] to determine if they may have imagery in their files taken in the course of the OXCART program.

3. All the above contractors were permitted to receive and evaluate test material or non-operational material taken with their configurations. In all instances, the contractors were also permitted to excise material from the test missions before they turned in the remaining material for destruction.

4. This reminder submitted at this time to assure the OXCART program accomplishes this task while the program still has the resources (i.e., transportation, place of destruction, personnel, etc.) available.
